PRINCIPAL’S PIECE .....  
It is another full week of activities here at school. Reminder that this Friday 8th May is a show holiday. If you are heading to the show, enjoy yourself. Don’t forget to check out your school entries inside the pavilion.

The students had a great time pampering their mother’s at last nights function, but I’m sure the mothers loved every minute of it too. We had face masks, foot spas, hand and foot massaging. What a treat! Thanks students and Chappy!

Happy Mother’s Day to all this Sunday.

SCHOOL UNIFORMS/HATS
Parents please ensure that your child’s warm clothes, jumpers and trackpants are named. Also, we have a number of students who have purchased new school hats that are currently missing. Please check your child’s hats to help us find these missing hats.

On Friday afternoons, kicking off on Friday 15th May, we shall begin school tennis lessons for Term 2. These lessons are hosted by Mr Ken Colyer. Students will be broken up three classes from 1.00pm-2.30pm and each class will be for a half hour session.

We had our Early Childhood assistant, Mrs Lynette Hughes visit our school yesterday, checking out our great P-1 classroom. It was brilliant to see the very first early childhood network held yesterday afternoon for early years staff. We had Mundubbera, Eidsvold, Mulgidie, Boynewood and the Kindy represented. It is a wonderful opportunity to network.

Our Speech Therapist, Mrs Deirdre Rackemann will visit the School on Monday 11th May to work with students, parental permission has already been sought if we have identified your child.

SIGHT WORDS, SIGHT WORDS!!!!!
Last week we kicked off a new and exciting way to boost every student’s sight word knowledge. Sight words are the biggest key to both reading and writing fluency!

So many of our students are making weekly jumps in their levels. The goal is to have all 800 words known by the end of Year 4!

It all comes down to practice. Each morning at 8.15am we ring the bell to have all students working with a peer to run through and practice their sight words. Once these words are run through with a buddy, students head back out to play. What a fun way to learn.

Practice not only makes perfect, it makes it permanent!

P-1 Classroom Corner

Dear Parents,

*Can you please assist our learning in History this term by providing a photo of a celebration that your child has been involved in with your family. We require these as soon as possible. We are happy to scan/copy and send back the originals. Thanks.*
